

The Feast, part of the Retreat and Conference, is to give God's workers a feast for the eyes, ears, heart, spirit, soul, and body. We desire to bless them with a time of

worship, testimonies or short teaching from the Word, and prayer. It is time to meet with our bridegroom in a beautiful setting and worship Him. The feast is a time to celebrate Jesus as our soon and coming King.

Picture many across the globe feasting at the King's table, honoring the Lord and delighting in Him while at the same time knowing the Lord has great pleasure in being with His people. Tears come as God's children know they are cherished and loved. Hearts are grateful to be renewed and strengthened in Him. Peace and oneness with one another and with the Lord pervade the feast. God has His perfect plans for His people and will bless them as they go into the world again. The Lord has a special place in His heart for His daughters and sons.

Come and feast at His table!

## **Feasts and Retreats in the Presence of the King**

For I [the Lord] satisfy the weary ones and refresh everyone who languishes.

Jeremiah 31:25

Laborers in many countries are tired, weary, and sometimes discouraged. The Lord is giving Praying Friends the opportunity to share encouragement through His Word. The focus is to give believers time to meet with God and hear from Him and to be strengthened by Him

and by the Body of Christ through directed time with Scriptures to ponder, promises of God to pray, and time with other believers for sharing, teaching, and praying.

The retreat/conference can include any of the following areas or other subjects as desired:

- God's plans for individuals and for nations
- spiritual warfare
- prayer journaling
- prayer walking
- the Holy Spirit
- spiritual gifts
- ruling and reigning with Christ
- one in Christ, sons of Abraham through faith

The team desires to

- pray with individuals, families, and small groups and to go wherever the Lord leads,
- share and pray towards the goals of healing, restoration and, where it is needed, reconciliation with the Lord and with others so that God's people can bless those who have cursed them and pray for those who have persecuted them.

The Lord desires for His body to receive many blessings so that laborers can return to their fields with a renewed vision concerning what the Lord has for them and ways to accomplish this through His words to them.

PFOTBG desires to take believers in various countries to a place of retreat where they can be in God's presence and have His living water poured out upon them, so that He can pour out living water through them (John 4:14 and 7:38).

The afflicted and needy are seeking water, but there is none, and their tongue is parched with thirst; I, the Lord, will answer them Myself, as the God of Israel I will not forsake them. I will open rivers on the bare heights and springs in the midst of the valleys; I will make the wilderness a pool of water and the dry land fountains of water. (Isaiah 41:17-18)

**The Lord is speaking through His Word and His friends are hearing His voice and are filled with joy. Believers, filled with His Spirit, are renewed and refreshed in the Word and go and do what He has said. (See John 3:29.)**

Praying Friends of the Bridegroom desires to pour out Christ's love as He pours out His Spirit upon His body (See Colossians 2:1-3). In these Feasts and Retreats in the Presence of the King, the Lord meets with His people and speaks His words of love to them. He gives His children understanding of His plans for them, the promises He wants to fulfill, and the role they are to take. The Lord is cleansing and healing the land and the people.
